

Things to Do Today

Start your day with the INVOCATION
(Watch, Listen OR Read it to yourself)

Today I invite the Divine Wisdom to fill my heart and my mind
with light energy and intuitive power.

I am open to miracles. I am ready to follow the Angelic
Guidance. Whatever comes my way is a blessing.

I am open to receive it.

I will pay attention. I will clear my mind and my body of old
karmic energy, limiting beliefs, worries, and fears.

I am connected to my Higher Self, Angels, and Spirit Teachers. I
am a channel of powerful psychic insights and visions.

I am protected and energized by the Divine Grace of my Spirit.

Amen

Today's Prosperity Wisdom

THE LAW OF EFFICIENT ACTION.

Wallace Wattles spoke intensely about the Law of Efficient Action in his famous book "The Science of Getting Rich". Simply do ALL you can do every day to move towards your goal, whether it's finances, relationships, or health. The daily reflection practice of this course is designed to engage you in the Law of Efficient Action. Start where you are with what you have. Make marginal DAILY improvements and actions to have the law working for you. You may not have it all figured out. However, taking small constant actions is better than not taking action AT ALL. You will achieve your goal much faster than you think if you apply the Law of Efficient Action. Create a vision, break it down into measurable simple goals, and take daily action. Do all you can do every day to move forward.
